

MGA 9 TOURNAMENTS

The following rules are adhered to for Tournament play only:

- A. Tournament play is April thru October. See MGA9 Tournament page for dates and formats.
- B. In addition to allowing a “Breakfast Ball” mulligan, tournament play allows for two ‘Anytime’ mulligans except for the Year-End Championship tournament. They can be played ‘anytime’ or ‘anywhere’. If you use a ‘anytime’ mulligan, that will be your ball in play. You do not get choose between the shots you hit.
- C. When playing tournaments, no “gimmies” are allowed.
- D. In every tournament played, enter the GROSS score, not the net score. Golf Genius will determine the net score per hole. Depending upon the type of tournament being played, Golf Genius will determine the ‘Team’ score. Golf Genius will also determine the order finish for the tournament.
- E. The entry fee for each Tournament will be \$10 which 100% goes to the prize pool and is distributed to the winners and will be placed in the individuals credit book.
- F. Golf Genius will maintain a record of winners for each tournament and can be viewed in the “Members Portal” in the Golf Genius App.
- G. To qualify for the year-end championship, a player must play in at least one tournament.
