

Quota Tournaments 2 Man Quota Scoring

Teams will consist of two players within each flight created by Golf Genius.

Handicap calculations are carried out to two places to avoid ties.

Each player is assigned a quota which is determined by subtracting their handicap from 36. For example, a player with a 10.52 handicap will have a quota of 25.48 (36-10.52).

Each player plays their own ball and records their **Gross Score** and receives points based on the following schedule.
